Standing Order Medication/Treatment Permission

SCHOOL YEAR: _____

STUDENT NAME: _____ DATE OF BIRTH: _____

SCHOOL: _____ GRADE: _____ TEACHER: _____

HOME ADDRESS: _____

ALLERGIES (medication, food, insects/bees, other): NO YES (If yes, please list items) _____

Describe reaction(s): _____

School/Program-supplied Epinephrine Auto-Injector (dose appropriate for weight of child/student) will be administered to any undiagnosed child/student observed to be experiencing an allergic response by the Nurse (APRN, RN, LPN) or appropriately trained staff member in accordance with CGS Title 10, Chapter 169, Section 10-212a.

I do NOT want epinephrine administered to my child in the event of an allergic response at school.

Parent Signature _____ Date _____

The following medications are provided by the school/program and may be administered to students with parent/guardian authorization:

Parent/Guardian Initials	Condition	Treatment
	Pain or Fever	Acetaminophen, Dose Per Package (max 650 mg)
	Pain or Fever	Ibuprofen, Dose Per Package (max 400 mg)
	Menstrual Cramps	Treat with pain specific agent. May use heated gel packs.

The following treatments may be administered to students with parental authorization but will not be provided by the school/program. Supply sent from home must be labeled in permanent marker with the student's name. Package instructions will be followed. Please be sure that the label indicates use for appropriate aged child. First daily application must be done at home.

	Prevention of insect bites	Insect repellent provided by parents, applied once daily at school
	Sun exposure	Sunscreen provided by parents, applied once daily at school
